**WHAT'S INCLUDED**

- ✓ Chemical wash and timber brightener to lift dirt and UV greying
- ✓ One maintenance coat of penetrating cedar oil, matched to the existing finish
- ✓ Masking and protection of surrounding cladding, joinery and glazing
- ✓ Mobile tower / scaffold access to the gable apex
- ✓ Site clean-up on completion

**NOT INCLUDED**

- Stripping or sanding back if the existing finish is a film coat (quoted separately if found)
- A second coat to badly weathered faces, if needed
- Timber repairs or board replacement
- Hardie cladding, painted items, fences, gates or decking

**TERMS & CONDITIONS**

1. 30% deposit required to secure booking
2. Balance due on completion
3. Price valid for 30 days from quote date
4. Priced from the plans provided; everything confirmed on site on the first day before work starts
5. Assumes the existing finish is a penetrating oil — a film coat needing stripping/sanding is quoted separately
6. Scheduling from November, once the timber is dry and the weather settled for the oil to cure
